KARWAL STEADY RESTS

ABOUT US

Established as a Sole Proprietorship firm in the year 1973, we New Karwal Engineering Works (Regd.) are a leading manufacturer and exporter of a wide range of Self Centering Steady Rests and machine tool parts, etc. Situated in Ludhiana (Punjab, India), we have constructed a wide and well-functional infrastructural unit that plays an important role in the growth of our company. We offer these products at best rates and deliver these within the promised time frame. Under the headship of our mentor Mr. Charanjit Singh, we have gained a huge clientele across the nation.

WHY US

With our expertise and trustworthiness, we have secured a respectable position for ourselves in this domain. Different factors for which we have attained appreciation from clients spread all across the nation are:

- Quality Assured product range
- Adept team of professionals
- Ethical business policies
- Client-centric approach
- Large distribution network
- Excellent transport & Logistic facility
